Team Ocean Kayak at the Bass Pro Shop Grand Opening Houston, Texas

Team Ocean Kayak had the pleasure of helping the Bass Pro Shop in Houston with their grand opening. Team members spread out across the store helping customers in the kayak, marine electronics, and hunting optics departments with their questions and introducing them to the wonderful products our sponsor produce. Team members were also given the opportunity many times a day to stand up above the freshwater aquarium and give seminars on various fishing and outdoor photography subjects.

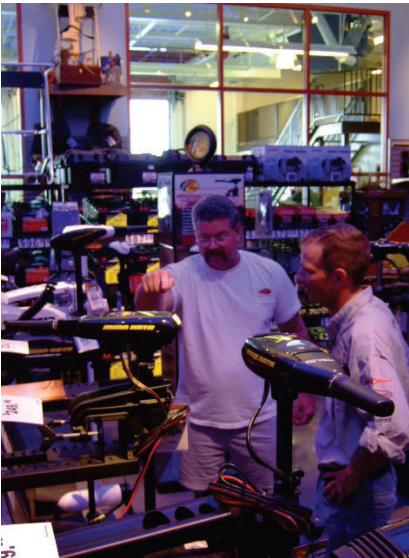

Team Ocean Kayak would like to thank general manager Mark Emken and Bass Pro Shop for their hospitality and the wonderful opportunity to do what we love to do, meet customers and talk fishing and hunting. We met many new kayakers and introduced many people to sport we love.

Team Ocean Kayak with Heroes on the Water Port Aransas, Texas

Team Ocean Kayak had the pleasure on October 15, 2007 to give a little back to our American heroes who have sacrificed so much so that we can enjoy the freedom they provide. What a cool trip! Team Ocean kayak in conjunction with Heroes on the Water and Army Bass Anglers got to take some soldiers and wounded Iraqi War veterans out for some fishing. Brad Newman of Malibu Kayaks and KASA, along with Ken Larson (who also shot some great photos) were instrumental in setting up the trip. It was an absolute pleasure to be part of the crew and get these guys on some fish. Below, Scott Metcalf of the Army National Guard is pictured with Fishman and I. Scott will be the focus of an upcoming article in Harold Well's Gulf Coast Fisherman. On news stands in December.

Team Ocean Kayak at Everything Kayak Expo in Aransas Pass, Texas

Team Ocean Kayak participated in the 2nd annual Everything Kayak expo in Aransas Pass. The team provided seminars on catch fish along the Texas coast as well as how to clean your catch. Team Ocean Kayak also provided kayak safety classes and paddle tours during the two day event. Team Ocean Kayak helped out Wind and Wave of Corpus Christi with answering question from customer about kayaks and kayak gear. The weather was great and the crowds were on hand with plenty of questions. Team Ocean Kayak was also there to celebrate TexasKayakFisherman.com's 10,000 member, a great milestone for a wonderful community of kayakers. Team Ocean Kayak was definitely in their element and drew crowds where ever we were at the site. We look forward to participating again at next year's event.
